Sub: DSIB Inspection Report 2022-23

Dear Parents,

We are delighted that we can now officially celebrate our school's success in the DSIB Inspection (2022). You must have received our school report from the Director General, Dr. Abdulla Al Karam already. (We are enclosing the Inspection Report 2022 and Analysis for your reference).

We are pleased to share with you that for the sixth consecutive year, we have been rated '**Very Good**' with an improvement on 18 quality indicators. This brings our tally of **Outstanding** indicators to **49** and **Very Good** indicators to **20**.

We are pleased to share that considering CBSE curriculum schools in Dubai, our school holds the top spot, (along with one other school), of the maximum number of Outstanding indicators.

Further, the **school's students' progress, Leadership of data analysis and curricular adaptation** at both international as well as the National Agenda parameter is deemed **above expectations**. Another highlight is that the **quality of wellbeing provision** and outcomes is at a **very high level**.

Leadership is rated outstanding with a strong vision that permeates through the ethos of the school. The **strong vision and powerful leadership of the Principal and Senior Leaders** is mentioned as one of the **best features** of the school.

Our students continue to make us wonderfully proud as they shine brightly in their attitudes, values and intellectual skills.

The commitment and support of our governors and parents is also seen as 'Outstanding' features of the school.

We now have an opportunity to vie for the overall 'Outstanding' rating for the academic year 2023-24.

We sincerely thank you for your cooperation and support which enabled our school to shine.

Warm regards,

Yours sincerely,

Rashmi Nandkeolyar

Principal and Director
